HKDSE

- The average passing percentages of the past five years in all 17 subjects taken were higher than 90%, which were far above the level of all schools in Hong Kong.
- The best HKDSE result attained: 33 points in Best 5 subjects (5**5**5**5**5)
- "Level 2 Percentage" in 16 subjects exceeds the level of all schools in Hong Kong.
- "Level 4 Percentage" in 7 subjects exceeds the level of all schools in Hong Kong.

2021 External School Report :

- The campus has a harmonious atmosphere. Students are humble, teachable and disciplined. Teachers care about students, and the relationship between teachers and students is good.
- There are various measures to support students in the school and they can build students' self-confidence.
- Flexible and online learning arrangements during the pandemic are well recognized by parents.
- Many students love sports. They have achieved great results in inter-school sports competitions and won the 'Annual Championship'. Among them, there are many members of the Hong Kong teams, who have participated in Hong Kong and international competitions and performed well.
- Making good use of the connections with school sponsoring groups, churches, government and external organizations to provide students with opportunities for leadership training and social service; thereby improving students' teamwork spirit and self-confidence.

Footprints and Sharing of Alumni Lead to Exploration of Career and Ambition

The "Career Advice Mentorship" programme arranges all secondary five students to meet and share with Chinese Y.M.C.A. Secondary School alumni. In these casual meetings, our alumni share their interests and experiences in life and at work with students; thereby encouraging mentees to explore directions they will take in life and to prepare themselves for their future careers.

Graduates Share Examination Strategies and Experiences to Walk with Junior Schoolmates
