Outstanding Achievements All-round Development

2023 HKDSE

Our school has made a breakthrough in the Hong Kong Diploma of Secondary Education (HKDSE) Examination 2023:

- The best student obtained Level 5** in 6 subjects and Level 5 in the remaining subject, with a total of 47 points from the seven subjects.
- The percentages of Level 5 in English Language and Liberal Studies were higher than that of the Hong Kong standard.
- The percentages of level 2 in ALL Core Subjects taken were higher than that of the Hong Kong standard.
- The percentages of Level 2 in 15 subjects taken were higher than that of the Hong Kong standard.
- The overall pass rate of the HKDSE Examination has reached over 90%, higher than that of the Hong Kong standard.

Outstanding Achievements Reaps the Benefits

2021 External School Report :

- The campus has a harmonious atmosphere. Students are humble, teachable and disciplined. Teachers care about students, and the relationship between teachers and students is good.
- There are various measures to support students in the school and they can build students' self-confidence.
- Flexible and online learning arrangements during the pandemic are well recognized by parents.
- Many students love sports. They have achieved great results in inter-school sports competitions and won the "Annual Championship". Among them, there are many members of the Hong Kong teams, who have participated in Hong Kong and international competitions and performed well.
- Making good use of the connections with school sponsoring groups, churches, government and external organizations to provide students with opportunities for leadership training and social service; thereby improving students' teamwork spirit and self-confidence.

Footprints and Sharing of Alumni

Lead to Exploration of

Career and Ambition

The “Career Advice Mentorship” programme arranges all secondary five students to meet and share with Chinese Y.M.C.A. Secondary School alumni. In these casual meetings, our alumni share their interests and experiences in life and at work with students; thereby encouraging mentees to explore directions they will take in life and to prepare themselves for their future careers.
